SUBJECT: Executive Council Meeting on 16 September 1975

Mr. Proctor chaired. Substituting were Messrs. [redacted]

STAT

1. Mr. Proctor will be on a trip beginning early next week. Mr. Walsh will be Acting Deputy Director.

2. There is a stand-down in providing classified materials to the House Select Committee because of the Committee's unilateral declassifying of four sensitive words in the Middle East Post Mortem. The stand-down occurred before the subpoenaed material on the Tet offensive could be delivered.

3. The White House is working on an Executive Order governing CIA domestic activities. The initial draft is a strange document, very unclear in some places.

4. Mr. Walsh reported that the Director's press conference, called after the cut-off of materials to the House Committee, was attended by some 50 reporters. A transcript will be prepared and circulated to employees, to the Congressional Oversight Committees, and to the White House.
